## *For buyers of Construction Projects And Providers of Construction Services*

VaseConstruction.com is a recognized leader in connecting buyers of construction projects and providers of construction services.

The cost to acquire vetted suppliers using VaseConstruction.com is at least 50% less than conventional means (ads in newspapers, time and labor cost to check credentials). Providers of construction services can find work for a fraction of the cost of hiring a salesperson or other outreach activities.

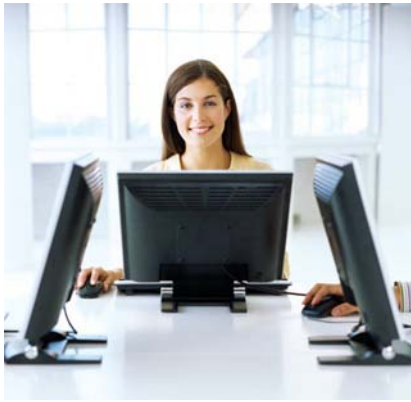

Supplier registration, responding and being awarded bids are Free. Members include government agencies, corporations, and providers of construction and related services including certified minority business enterprises (MBEs).

VaseConstruction.com offers commercial and residential projects and business development Training.

VaseConstruction.com, from the same makers of DHL, UPS, FedEx, MGM Mirage, Ericsson, CBS, Fox Entertainment, Women Contractor's Association, United Technologies, NY School Construction, Verizon Wireless, and Perini Building Company **eSourcing**, afford contractors economic opportunities through technology to foster the development of long-term and mutually beneficial business relations.

VaseConstruction.com is a partner with Greater New England Minority Supplier Development Council to certify minority businesses and expands business opportunities for MBEs.
