

Benefits

Government Agency

Municipal, public housing agency, and state/federal agency with explicit goals in terms of small and minority business participation

- Access to the organization's comprehensive database of diverse contractors and suppliers – all of which have undergone extensive screening in order to determine their eligibility for qualification
 - Access membership program for certified minority and women-owned businesses, small businesses, small disadvantaged businesses, veteran business enterprises, service disabled veteran business enterprises, hubzoned businesses, and 8(a) business enterprises with proven capability for national contracts
 - Receive assistance in sourcing qualified minority contractors in subcontracting communities to support business needs and specify criteria to fulfill any set-aside programs and plans.
- Post and advertise notices of unlimited bid solicitations to subcontracting community
- Monitoring of subcontractor's insurance, certifications, and prominent business records
- Communicate with subcontractors via email
- Invite existing subcontractors to join VASE Construction at no additional cost (VASE Construction is free to subcontracting firms; agencies and subcontractors will only need a computer with internet access to use the VASE Construction System)
